

1 I am in favor of Mr. Case's motion because it seems to  
2 me that if you can concede that with respect to moving  
3 a part of a County to another County, the approval of  
4 the people being transferred is necessary. It seems to  
5 me the same principle should apply. This is assuming,  
6 as the Committee has assumed, that you should have this  
7 approval for the transfer of a part. I certainly think  
8 the very same principle should apply, perhaps even more  
9 so, of transferring an entire County from one, either  
10 making it a part of another County or combining two  
11 Counties and making a new County out of it that there is  
12 no reason to distinguish between the two, assuming the  
13 principle of referendum. For that reason, I think it  
14 should be amended to include what Mr. Case, to include  
15 the principle embodied in Mr. Case's motion.

16 THE CHAIRMAN: Any further discussion?

17 Mr. Brooks?

18 MR. BROOKS: Mr. Chairman, I would suggest  
19 that the principle is and should be quite different from  
20 that that the amendment is based upon in that we are  
21 dealing here with political subdivisions. The County and
