

1 MR. CLAGETT: Yes, we are talking about the
2 same class, and I think the answer is in the last sen-
3 tence of Subsection (b) where we say, No more than one
4 classification shall be in effect at any time, but the
5 classification may be changed at any time.

6 MR. MARTINEAU: To me it is not clear, that
7 the class in (c) is the same as the class in (b), but if
8 it is, it is fine.

9 THE CHAIRMAN: The answer to your question at
10 the moment is, it is intended to be.

11 DR. MICHENER: As I read this, classes are
12 based upon population according to most recent census.
13 So, even though the classes are appropriate, they will
14 have to be adopted after a new Assembly. What you mean
15 is assignment of Counties to classes, according to the
16 most recent census. There is a difference.

17 MR. CLAGETT: One is interchangeable with the
18 other. If you change the assignment of Counties, then
19 you would be then changing the classification, and the
20 old classification would then be dissolved. There can
21 only be one classification in effect at any one time, and
