

1 DR. MICHENER: If it is a particular district  
2 and they are trying to solve it on a particular problem,  
3 the General Assembly couldn't do it, because it wouldn't  
4 be applicable throughout the State perhaps.

5 MR. CLAGETT: That may be, except I don't  
6 think there is any restriction on the General Assembly's  
7 plenary power to tax.

8 THE CHAIRMAN: Mr. Mindel?

9 MR. MINDEL: Transcend local boundaries. What  
10 do you mean, local units within a single position? It  
11 is not yet clear what you mean by local boundaries.

12 MR. CLAGETT: Originally, we were dealing  
13 with actually the municipalities as well as the Counties.  
14 Now, as applied here by reason of the fact that there  
15 has been a change in venue since this language was actually  
16 written, it was not so much applied to the municipality  
17 and the County within the same County geographic bound-  
18 daries, it would be County to County, or actually a  
19 municipality if given the authority by the County to  
20 enter into compacts with another municipality or County.  
21 There are five cities within the State which actually are
