

1 any one of the following ways.

2 MR. SYKES: Yes, but my question is, what
3 happens if it doesn't do it one of these three ways? I
4 mean, it's got power under the other Section. It just
5 doesn't act. Compel action by any one of these three
6 ways. There is no mandamus. Does that mean the County
7 Commissioners who like the idea of exercising power of
8 all the Home Rule power by themselves without the appoint-
9 ment of a charter board and without the submission of a
10 form of exercise of these powers to the electorate can
11 go ahead and do it?

12 MR. CLAGETT: That is correct.

13 MR. SYKES: Well, that is inconsistent.

14 MR. CLAGETT: Why not?

15 THE CHAIRMAN: Mr. Michener?

16 DR. MICHENER: My question related to 2, and
17 it got to 3 before I got a chance. When you say it
18 will become effective when approved by a majority of the
19 votes cast by a majority of the voters, you have specified
20 this will be a general election. Are you speaking of
21 the voters on this issue or the voters in the election?
