

1 to the point.

2 THE CHAIRMAN: The motion would be to
3 reconsider the action the Commission had heretofore taken.
4 If it's seconded, it would be put before the Commission
5 without debate.

6 DR. BARD: I so move, but I did want to
7 present one point of view that has not yet been presented
8 with reference to this question and if my motion keeps
9 me from presenting that point of view --

10 THE CHAIRMAN: Your motion would, at this
11 point.

12 DR. BARD: All right, I will so move, any-
13 way.

14 THE CHAIRMAN: Is there a second?

15 MR. CASE: Seconded.

16 THE CHAIRMAN: Then the question arises
17 on the motion to reconsider the action of the
18 Commission in approving the recommendation of the
19 committee that the election of delegates be by districts
20 in Baltimore City, but be county-wide outside Baltimore
21 City. Under our procedure, the motion is not debatable.
