

1 MR. SAYRE: It was my idea Mr. Bond would
2 follow me, so if it's all right to continue --

3 MR. BOND: I will withdraw, but I haven't
4 said a word.

5 THE CHAIRMAN: Go ahead, let Mr. Bond speak.

6 MR. BOND: Only one comment. I'm opposed
7 to the motion. I agree with Dr. Jenkins, I don't think
8 anyone is going to change his mind between district-wide
9 and county-wide voting between now and next week.

10 MR. CASE: I think if you could narrow the
11 number of candidates in some way, I think this is crucial.
