

1 DR. BARD: Question.

2 THE CHAIRMAN: All in favor signify by saying
3 aye. Contrary, no. The ayes have it.

4 MR. SCANLAN: I move the adoption of Section
5 7 as recommended by the Committee.

6 DR. JENKINS: I would like to cover one
7 other area.

8 MR. CLAGETT: Don't say as recommended by
9 the Committee. They didn't recommend it.

10 DR. JENKINS: One other area.

11 I am not prepared to give the terminology.
12 I believe that a property qualification, that the local
13 subdivisions should be able to impose a property quali-
14 fication and as I understand it is at Ocean City. The
15 person may own property there and vote although he is
16 not a resident, but I think it very important that we
17 impose a constitutional limitation against depriving
18 a person of the right to vote if he does not own property.

19 MR. CLAGETT: But lives there.

20 DR. JENKINS: Yes. I would like a directive
21 to the Committee on that one way or the other.
