

1 too bad that somehow or other this state couldn't
2 be tied in with the Mayoralty election which does take
3 place in 1967. This is a large segment of the state
4 vote. However, holding it in June will not be too
5 bad. It would be previous to the primary for the
6 Mayoralty election. It would mean in Baltimore City
7 by way of illustration there would be three elections
8 that year, a special one, the primary, and then the
9 general Mayoralty election.

10 MR. SCANLAN: When is your general Mayoralty
11 election in Baltimore?

12 DR. BARD: November, primary in September.

13 MR. SCANLAN: It would be too late.

14 DR. BARD: I think we ought to recognize we
15 have considered all this and this is my reason for
16 mentioning it.

17 THE CHAIRMAN: In light of that, I would
18 like to pass on to the Committee a suggestion for
19 consideration and perhaps research and conclusion in the
20 enabling act. That is the suggestion that has been
21 made that if the delegates be elected in June, even though
