

1 Assembly shall support higher education, but without  
2 providing a complete system of higher education?

3 MRS. BOTHE: No, sir, because Section 2 and  
4 Section 3 which we haven't yet reached goes somewhat  
5 together, and one of the reasons we put Section 2 in, and  
6 it doesn't, of course, only apply to the University of  
7 Maryland, but it does call for what it says, and that is  
8 a system of higher education; one of the reasons we did  
9 that, again, graspingwise, is because we didn't want to  
10 spring the University of Maryland out of no background  
11 in the Constitution, and we felt that there had to be some  
12 transition, whether you call it a separate section or  
13 just make it a preliminary to Section 3 about the Univer-  
14 sity of Maryland isn't terribly important, but I might  
15 say that I would be happy, I have got a whole file here  
16 of proposed drafting, all of which contains the same  
17 intent, but expressed differently, that various members  
18 of my Committee submitted for discussion in our meetings.  
19 I would be happy to turn them over to Dr. Burdette once  
20 the Commission agrees on the matters to be included in  
21 the Article, because we had a great deal of difficulty with
