

1 particularly in the future it certainly will be comparable
2 in magnitude to the population served by the University
3 of Maryland.

4 My recommendation, I am going to read it
5 rather rapidly, is to add either as a section or as another
6 paragraph of Section 4, other State institutions of
7 higher education offering work of baccalaureate level --
8 this will exclude the community colleges -- shall be
9 under the purview of a governing board or boards as pro-
10 vided by law; said board or boards shall have general
11 supervision, and this carries the same wording as the
12 Section 3, shall have general supervision of the insti-
13 tution and control and direction of all expenditures of
14 the funds of the institution.

15 THE CHAIRMAN: Let's consider them separately
16 for purposes of voting but consider them together for
17 purposes of discussion. I think it will save time.

18 MRS. BOTHE: Mr. Eney, I think perhaps they
19 could be discussed together.

20 THE CHAIRMAN: I suggested that.

21 MRS. BOTHE: Our reasons for including the
