

1 University of Maryland as the State university and exclud-  
2 ing mention of the other State universities which we love  
3 was very deliberate and sprung from the same reasoning.  
4 We felt that the University, or that there should be a  
5 State university or a State system, that even though there  
6 may be a university located on the Eastern Shore of Mary-  
7 land, or as there is now, a branch of the University of  
8 Maryland in Catonsville that they should be still the  
9 University of Maryland. The California University system  
10 was our model in that respect, as you all know. The  
11 University of California has four or five branches I be-  
12 lieve now, located in various parts of the State but they  
13 are all the University of California.

14 As to including the other --

15 DR. JENKINS: May I comment just on that because  
16 this is precisely the issue, and I don't think this has had  
17 sufficient information or has the time nor do I think it  
18 is the function --

19 MRS. BOTHE: I would be glad to go to California  
20 if that is the case.

21 DR. JENKINS: -- to resolve the question of
