

1 whether there should be a system of universities under
2 one control or separate ones. I could point to twenty
3 States which have two State universities. I could point
4 to Florida which has six. but I am simply saying this
5 ought not to be in the Constitution. It ought to be left
6 to further study.

7 MRS. BOTHE: The Constitution would not pre-
8 clude the existence of the others.

9 DR. JENKINS: It says "the". I think it would
10 preclude it.

11 MRS. BOTHE: Right now the State does maintain
12 other institutions but it was our intention to secure
13 one university as the State University, namely the Univer-
14 sity of Maryland.

15 DR. JENKINS: That is not the issue.

16 THE CHAIRMAN: Mr. Sayre?

17 MR. SAYRE: I have one question here which will
18 lead into another. In regard to the community colleges,
19 you say that it was not contemplated that they would be
20 baccalaureate, is that correct?

21 MRS. BOTHE: No.
