

1 because there is a debate as to whether they are higher
2 educational, but a mere statement in that regard, which
3 would be a statement supporting the philosophy as well as
4 exhortation.

5 MR. SAYRE: There is a trend here or could be
6 a trend where a community college could provide two years
7 for vocational training, depending on what you are going
8 into, or two years as a preliminary to four years, which
9 would be accredited, and that there is no reason why some-
10 time in the future you couldn't go that additional two
11 years in the same college that you got your first two
12 years for your baccalaureate and this type of thing, be-
13 cause of the very physical aspects, are actually being
14 brought forth now from the University of Colorado, Univer-
15 sity of California system.

16 THE CHAIRMAN: May I interrupt this discussion
17 a minute? I have promised so many members of the Commis-
18 sion that come what may, we would adjourn today at 5
19 o'clock, that I would not feel that we can prolong this
20 session beyond that point, unless everybody is willing to
21 do it. Now, in order to adjourn at 5 o'clock, we will
