

1 Monday or Tuesday. I have personally no preference at
2 all; whatever suits the Commission, I feel greatly in-
3 debted to you for devoting the time you do to it. I would
4 like to have at this time a show of hands on those who
5 would prefer the 14th and 15th. You will note that in
6 putting this to you, I am assuming you all agree on a
7 two-day meeting. The next question will be the 15th and
8 16th. Obviously, I will take a show of hands on those
9 who simply cannot be there, because there is no point in
10 having a meeting unless we can have a comparatively full-
11 one. Can we have a show of hands?

12 DR. JENKINS: Is the 14th Sunday?

13 THE CHAIRMAN: Sunday. Show of hands on the
14 14th and 15th.

15 MR. BROOKS: Twelve.

16 THE CHAIRMAN: Now, a show of hands on Monday
17 and Tuesday.

18 MR. BROOKS: Five.

19 THE CHAIRMAN: Let me have a show of hands on
20 those who could not, not those/would like not, but those
21 who could not make it on Sunday.
