

1 I will arrange to have Mr. Brooks confirm this  
2 by a mailed questionnaire to every member of the Commission,  
3 because there are a few who have absented themselves, but  
4 it would appear that the meeting will be on the Sunday and  
5 Monday, the 21st and 22nd. I wish you would all note the  
6 date in your calendar now and hold it tentative.

7 Now, subject to being able to make the arrange-  
8 ments, is there any difficulty or impossibility with any  
9 of you in having the meeting at Mount Ayrett Farms or at  
10 College Park?

11 MR. MILES: You are talking about what dates?

12 THE CHAIRMAN: Same dates.

13 (There was no response.)

14 THE CHAIRMAN: All right. Let me express to  
15 you once again my very sincere thanks. I don't believe  
16 the State of Maryland has ever had a harder-working group.  
17 Thank you very much.
