

1 that was held sort of in abeyance. What we wanted to do
2 in the election, though, was to leave the definition of
3 legislative districts to the General Assembly, but use
4 that as to residence requirements. Now that I see the
5 section, and incidentally, we wanted the residence require-
6 ment to go to whatever the name of the body that elects
7 the members of the House of Delegates, and having seen
8 now Section 3, I am wondering if we couldn't say as to
9 senatorial, the term senatorial district be used instead
10 of legislative district, and then in the second line,
11 for the House of Delegates have that read just legislative
12 districts. If such a change was made, it would cure our
13 problem.

14 DR. BARD: Would you/willing to hold that
15 until after we have discussed Section 5?

16 THE CHAIRMAN: I would like also to make another
17 suggestion, rather than decide a matter of that kind
18 without any previous thinking about it here. I would
19 rather refer that back to the two committees, and let the
20 chairmen work it out. There will have to be a cross ref-
21 erence. Mr. Bond?
