

1 seating election. I haven't worked out what the
2 mechanics would be. It seems to me it will take something,
3 but the way this is, it can dangle forever, really.

4 MR. CLAGETT: If you stuck the word, valid,
5 in front of plan, wouldn't that do it?

6 THE CHAIRMAN: I don't think that meets the
7 issue. I would imagine that when you say plan, you mean
8 a valid plan, but that would not meet the issue that
9 Senator Hoff and Mr. Case have just raised.

10 MR. CLAGETT: Then, Mr. Chairman, the issue
11 is whether or not we will let the Legislature struggle
12 with it ad infinitum or whether we will require that a
13 valid plan be accomplished within the time schedule set
14 forth here.

15 MR. CASE: That is right.

16 MR. MARTINEAU: You don't know whether it is
17 valid.

18 MR. CLAGETT: How do you know what is and what
19 is not valid?

20 THE CHAIRMAN: What is the next nature of
21 penalty, having to make sure its plan is valid or running
