

1 reapportioning the state which seems awkward. I thought
2 you were going to suggest reapportioning the representa-
3 tion in the General Assembly. Your motion would add
4 to that phrase another.

5 MR. SCANLAN: I would have to change the
6 language.

7 THE CHAIRMAN: That's why I suggested it now.
8 Would that suggestion be acceptable to the Committee?
9 Is that what was intended?

10 MR. GENTRY: The Assembly.

11 THE CHAIRMAN: Could your motion embody both
12 points, Mr. Scanlan?

13 MR. SCANLAN: I would move that the initial
14 phrase in the proposed section 10 read something like
15 this. No plan for reapportioning the representation
16 in the General Assembly or redistricting the Congressional
17 districts of the state comma.

18 THE CHAIRMAN: Is there a second?

19 MR. MARTINEAU: Second.

20 THE CHAIRMAN: Any further discussion, Mr.
21 Scanlan?
