

1 suggestion last time that this be done to make it
2 absolutely clear from now on.

3 THE CHAIRMAN: That is right, my only point
4 was we didn't use or discuss the language, no law
5 imposing a tax. I wanted to flag it for the Commission.

6 MR. CASE: That is right. There wasn't any
7 language proposed. But I have another comment as
8 long as we are making comments about this.

9 THE CHAIRMAN: This section?

10 MR. CASE: Yes.

11 THE CHAIRMAN: Go ahead.

12 MR. CASE: The present Constitution, in
13 dealing with the fact that the act making appropriation,
14 as distinguished from the tax is not referable, limits
15 though that nonreferable part to an appropriation which
16 does not exceed the next previous appropriation for
17 the same purpose.

18 That is not in here. I have been turning
19 over in my mind just how I feel about it. I am not
20 sure. It might be something I would like to ask, if I
21 may, whether the Committee consciously left this out,
