

1 sections as we go through it. If anyone has questions
2 to ask, he can do that. Then we will come back and
3 begin consideration of the report section by section.

4 MR. MILLER: And that a motion to embody the
5 historic language that is appropriate would be to go
6 to the Committee on Style or whatever.

7 THE CHAIRMAN: No, we can come back to that
8 later but I want to have the whole report before the
9 Commission before we start debating about particular
10 sections.

11 MR. MARTINEAU: I had understood when this
12 Committee, I believe, submitted its first report that
13 we agreed that the Declaration of Rights was to include
14 more specific language such as this but that we wanted
15 to preserve much of the language, I believe, that Mr.
16 Case and others are concerned about in a preamble.
17 I thought you were directed to write one. I see no
18 mention of it.

19 MR. GENTRY: We haven't got it yet. We will
20 have a preamble.

21 THE CHAIRMAN: Present the report and we will
