Mr. Lynch, from the Committee on Federal Relations, to whom was referred the Preamble and Resolutions in relation to the destruction of the property of the Chesapeake and Ohio Canal Company, &c., submitted the following

#### R E P O R T :

WHEREAS, The Southern troops are now destroying the dams, locks, canal boats, and other property belonging to the Chesapeake and Ohio Canal Company, and to individuals doing business on the Canal; and,

WHEREAS, Our Commissioner to the Governor of Virginia, in his report to the Legislature, informs us that the Governor of Virginia was understood to say, "that if, at any time, the military forces of Virginia should trespass or temporarily occupy the soil of Maryland, it could only be justified by the pressing exigency of a military necessity, in defence and protection of her own soil from threatened or actual invasion, and certainly with no hostile intent towards the citizens of the State of Maryland; and that any and all damages to persons or property, consequent upon such occupation, should be fully and liberally compensated for;" therefore,

*Be it Resolved by the General Assembly of Maryland, That Maryland will implicitly rely on the forbearance of her sister, Virginia, in committing the least possible damage to her property, and that of her citizens; and will equally confide in her honor to make full compensation for such damages as may occur from the painful necessities of the case.*

*And be it further Resolved, That a copy of these Resolutions be forwarded by the Governor of Maryland to the Governor of Virginia.*
