Naill,		

So the motion was sustained and the protest was not received.

On motion of Mr. Kessler,

The rules were suspended to enable him to offer a petition from Captain Stevens of the Maryland Defenders, of Frederick county, stating that a company of men having an order from the Governor to disarm his company, contrary to law, had gone to New Market for that purpose, and praying the Legislature to take such action in the premises as their wisdom may suggest.

Which was read and referred to the committee on Military Affairs.

On motion of Mr. Thomas,

The House at 2½ o'clock adjourned.
