~~It is the intent of the General Assembly that additional resources be provided to expand shelter and nutrition services for homeless individuals. The General Assembly commends the Governor for the compassion he has demonstrated through his continued commitment to allocate limited State resources to assist homeless persons. As the General Assembly shares the Governor's conviction that the expansion of shelter and nutrition services for the homeless deserves priority consideration, the General Assembly urges the Governor to include in the supplemental budget an appropriation of \$1,100,000 for shelter and nutrition services for homeless persons. Funding for this appropriation in the supplemental budget will be available from reductions the General Assembly is making to other appropriations.~~
