

agency[,] may apply to the Department for a grant from the local projects share of Program Open Space as provided in Title 5 of this article. The application shall conform to the requirements specified in Title 5 OF THIS ARTICLE.

(b) If funds are not available to any county named in § 8-1310 (a) OF THIS SUBTITLE under Program Open Space, the Department shall include in [its] THE DEPARTMENT'S budget a request for funds to acquire land within the county for the purposes stated in this subtitle. The funds, when appropriated, shall be matched by the respective appropriate county governing body[,] or its duly designated agency[,] to acquire land or other property shown or recommended on the Watershed plan for the designated public purposes. The budget request shall itemize the Watershed land acquisition program of each county[,] or its duly designated agency, showing total acreage proposed to be acquired during the coming fiscal year, together with an estimate of funds to be made available by each county for the acquisition.

8-1315.

The Department shall cooperate with the appropriate county governing body[,] or its duly designated agency[,] to formulate, adopt, amend, extend, or add to the Watershed plan in each affected county. The approval of the Secretary shall be placed on every map, plan, or descriptive matter which forms a part of the plan.

8-1316.

The Secretary may enter into agreements[,] with any respective county affected or its duly designated agency[,] to acquire land or other property to accomplish the purposes of this subtitle. The Secretary may obligate the Department to reimburse the county up to 50 [percent]% for the cost of the land or other property, plus 50 [percent]% for the normal cost of acquisition. However, funds have to be appropriated, and sufficiently on hand to meet the Department's obligation under these agreements.

8-1317.

The appropriate county governing body[,] or its duly designated agency[,] shall prepare an annual program for acquisition of land or other property within the area affected by the Watershed plan, showing total acreage proposed for purchase during the coming fiscal year, for the purposes of this subtitle, together with estimated costs of the annual program.

8-1318.

The appropriate county governing body[,] or its duly designated agency may acquire land or other property in anticipation of matching money of the Department, when, in the sole discretion of the appropriate county governing body[,] or its duly designated agency, acquisition of the land is deemed immediately essential to safeguard and preserve the Watershed plan.
