- [(3)] (5) Design, construct, and equip new dormitories or renovate existing dormitories, provided that before the Comptroller of the Treasury may expend any funds Morgan State University in cooperation with the Department of Budget and Fiscal Planning shall explore alternative methods of financing the dormitories including but not limited to revenue bonds, privatization, State funds or a combination thereof and submit a written report to the Board of Public Works. This authorization is for emergency restoration or replacement of deteriorated facilities which are no longer fit for use and is not intended to establish legislative precedent for supporting dormitories..... 5,000,000

SECTION 3. AND BE IT FURTHER ENACTED, That the General Assembly declares that it is the public policy of this State to manage State general obligation bond debt in a manner that will maintain Maryland's triple-A bond rating. The General Assembly further declares that legislative oversight, control and review of all forms of State obligations is essential to maintenance of the State's existing bond rating and protection of the fiscal integrity of the State.

SECTION 4. AND BE IT FURTHER ENACTED, That in order to carry out the provisions of this Act, the Board of Public Works, upon recommendation of the Secretary of Budget and Fiscal Planning, is authorized to place any proceeds from the sale of bonds in a contingency reserve available for subsequent expenditure.

SECTION 5. AND BE IT FURTHER ENACTED, That before work may commence pursuant to any supplement to any appropriation contained herein, satisfactory assurance must be given to the Board of Public Works that the project can
