CHAPTER 461
(Senate Bill 410)

AN ACT concerning

Gas and Oil Law - ~~Drilling and~~ Seismic Operations

FOR the purpose of ~~requiring certain approval of a county governing body before a person may obtain a permit for the drilling of an oil or gas well;~~ requiring a person to obtain a permit to conduct seismic operations; establishing certain requirements for the issuance of a seismic operations permit; prohibiting the use of explosives in seismic operations conducted on the waters of the Chesapeake Bay and its tributaries; allowing the use of explosives in seismic operations conducted on land under certain conditions; requiring the Department to make certain determinations under certain circumstances; defining certain terms; and generally relating to ~~gas and oil drilling and~~ seismic operations.

~~BY repealing and reenacting, with amendments,~~
