

(9) Take any other action necessary to carry out the purposes of the Trust;  
[and]

(10) Sue and be sued, but only to enforce contractual or similar agreements with the Trust; and

(11) Report annually to the Governor and, subject to § 2-1312 of the State Government Article, to the General Assembly, its activities during the preceding year together with any recommendations or requests deemed appropriate to further the purposes of the Trust.

8-1907.

The Trust shall apply at least one-third of any gift, grant, legacy, or endowment received in excess of \$5,000[,] directly to citizen involvement projects in accordance with the provisions of this subtitle.

8-1909.

(a) Except as provided in subsection (b) of this section, in exercising its powers, the Trust:

(1) [is] IS exempt from the provisions of the State Finance and Procurement Article and Articles 64A, 73B, and 78A of the Code; and

(2) [may] MAY carry out its corporate purposes without obtaining the consent of any department, board, or agency of the State.

9-101.

(f) (1) “Filling” means [either]:

(i) The displacement of navigable water by the depositing into State or private wetlands of soil, sand, gravel, shells, or other materials; or

(ii) The artificial alteration of navigable water levels by any physical structure, drainage ditch, or otherwise.

(g) “Landward boundary of wetlands” means the common boundary between [wetlands] WETLANDS, as defined in this [section] SECTION, and lands not included within the definitions of wetlands appearing in this section.

(j) (1) “Private wetlands” means any land not considered “State wetland” bordering on or lying beneath tidal waters, which is subject to regular or periodic tidal action and supports aquatic growth.

(2) [This] “PRIVATE WETLANDS” includes wetlands, transferred by the State by a valid grant, lease, patent, or grant confirmed by Article 5 of the MARYLAND Declaration of Rights [of the Constitution], to the extent of the interest transferred.

(n) “State wetlands” means any land under the navigable waters of the State below the mean high tide, affected by the regular rise and fall of the tide. Wetlands of
