

VETOES

BILLS AND MESSAGES for the BILLS VETOED by the Governor of Maryland following the 1990 Regular Session of the General Assembly of Maryland

NOTE

Ninety-seven bills were vetoed by the Governor following the 1990 Regular Session of the General Assembly. Forty-nine of these bills originated in the Senate and forty-eight of them originated in the House of Delegates. Pursuant to the provisions of Section 17 of Article II of the Constitution of Maryland, a vetoed bill will not be returned to the Legislature when a new General Assembly of Maryland has been elected and sworn since the passage of the vetoed bill. However, if the General Assembly convenes in Special Session prior to the election and swearing in of the newly elected members, the vetoed bills may be reconsidered in order to determine whether the veto is sustained or overridden.

These veto messages include one for House Bill 376, which was signed by the Governor to become Chapter 421. That bill is the General Construction Loan of 1990, and one item therein was given a line item veto by the Governor. At the time the other vetoes are submitted to the General Assembly, the one line item veto in this bill also will be presented for a vote on sustaining or overriding the one line item veto in Chapter 421 (House Bill 376).
