The Honorable Thomas V. Mike Miller, Jr.
President of the Senate
State House
Annapolis, Maryland 21401

Dear Mr. President:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed Senate Bill 478.

At the request of the bill's sponsor, I am vetoing Senate Bill 478 because the bill would unintentionally do substantial harm to Maryland's banking industry. The bill was intended to clarify that a trust company organized under another state's laws and affiliated with a Maryland bank has the same rights, powers, and obligations as a trust company organized under Maryland law. However, due to a technical defect in the bill, the effect of the legislation would be to restrict the ability of Maryland's state-chartered banks to act as personal representatives. The bill's sponsor and the Maryland Bankers Association agree that this would be detrimental to Maryland's banking institutions and the general public.
