"With the issue for April 29th Leonard Yundt and William Patten were admitted to partnership, under their individual names, as D. Graham, L. Yundt, and W. Patten, and the size of the paper was enlarged to folio. This arrangement ended in a disagreement, which culminated October 19th, - the last issue of the Repository, Yundt and Patten establishing, on October 28th, the Baltimore daily intelligencer." - Evans.
