- 476 Baptists, Maryland. Baltimore association.
Minutes of the Baptist association, met at the meeting house, near Reister's-town, May 24; continued to the 28th, 1799.
Baltimore? 1799.

Title from Address from the dissenting brethren, members of the Baptist church, under the pastoral care of Mr. Lewis Richards, Baltimore, p. 5. This pamphlet does not state that the minutes were printed; but, with proof that the 1793 and 1798 minutes were printed (see items 106 and 412) and the title being quoted in the Address, it seems almost certain that these were published, also.
