Contents: A concise view of the Christian religion, as professed by the people called Quakers. By Robert Barclay. - A short account of the people called Quakers; their rise, religious principles & settlement in America. By Anthony Benezet. - Further considerations on war (By the same author). - A few serious queries & observations. Addressed to the high professors [sic] of religion in this day, by one who was long in the profession, but knew not the power; till it pleased the Lord, by the ministry and writings of the people called Quakers, to direct him to where alone the power is to be known, within. By John Spalding. - A few reasons for leaving the national established mode of worship, addressed principally to those who attend at the place called St. Giles's church, Reading. - Two letters written by Samuel Crisp, about the year 1702, to some of his acquaintance, upon his change from a chaplain of the Church of England, to join the people called Quakers. - Extracts from the writings of divers eminent authors of different religious denominations; and at various periods of time, representing the evils and pernicious effects of stage plays, and other vain amusements. By Lindley Murray. With some additions.
