Hagerstaun, Gedruckt bey Johann Gruber [1800]

8°. 20 1/2 cm.

Incomplete copy which was examined had 30 pages (no pagination), but lacked cover and title-page, and probably other additional pages; it had these signatures: C 18012, D 18013, E 18012, (F 1801)4, G4. It contained an essay on Washington, accompanied by a full-page illustration showing Washington's bust set in a marble obelisk. One eye appeared closed, the other open, giving a curious winking expression.

Seidensticker p. 154.
