

by the Board of Public Works and under its authority and direction, and the funds for the carrying out of said purposes to be in such amount or amounts as may be provided in the supplemental budget or general construction loan of 1931, or in any subsequent budget, loan or appropriation, and providing for the appointment by the Governor of a standing commission to be known as the "Maryland Tercentenary Memorial Commission," consisting of not more than five citizens of Maryland, one of whom shall be a resident of Saint Mary's County, to take charge of and care for certain of said memorials when completed, to serve without pay, and providing for an annual appropriation for their expenses.

*** And, further, as incident to the said commemoration of the three hundredth anniversary of the founding of Maryland, the Board of Public Works shall acquire by purchase, condemnation, gift or otherwise such lot or lots, or parcels of ground, in the City of Annapolis, Maryland, within the vicinity of other public buildings in said city as, in the judgment of said Board of Public Works, may be best suited for the purpose hereinafter specified, and shall cause to be erected thereon a durable, modern, fireproof building of adequate proportions and of appropriate design and architecture, to be known as the "Memorial Hall of Records," in which shall be gathered, placed and preserved all ancient public and private records of the Province and State of Maryland from the beginning of the Province to the adoption of the Federal Constitution, together with such others of a like character which the City of Baltimore and the several counties of the State and private individuals may desire or be willing to deposit in said building, and to provide and supply said building with the best equipment of desks, tables, filing cases, chairs, shelves and stacks and other furniture and facilities necessary for and adapted to said purpose for the use of custodians, clerks and all persons desiring to examine and use such records, and for the repair, preservation, handling and safe-keeping of the same; the said building, in the addition to the special purposes hereinbefore set forth, may be used for such other purposes as the Board of Public Works may determine not in conflict with said special purposes. The funds for carry-
