

Sixth Annual Report of the Archivist of the Hall of Records, State of Maryland, for the Fiscal Year October 1, 1940 to September 30, 1941.

Typewritten Indexes

Record of Marriages. Indexing of this record began last year. It contains a report of marriages made to the Secretary of State by the clerks of the various county courts for a short period during the 1860's. The number of cards added this year was 6,000, for a total of 8,000.

Testamentary Proceedings. Of the nineteen volumes of indexes to be transcribed on cards, five remained to be done this year. Alphabetizing is proceeding and the entire index will be ready for use shortly. The cards added this year number 16,000 for a total of 73,000.

Charles County Records. The Charles County Will Books also contain the bulk of all other probate records for the County. Our index is only to this series. Other Charles County Probate Records remain unindexed. 8,000 cards.

Military Records. This index was continued to the period of about 1800. It is not expected that any additions will be made during the coming year so that it may be considered complete for the time being. 33,000 cards.

Baltimore County Non-Jurors. 2,200 cards.

Provincial Court Judgments. New cards made, typed and filed for the period 1703-1707. This work is continuing. 5,200 cards.
