The Commission will notice from the above list that there were a large number of changes in the staff during the year. Mr. Allison Trader resigned to accept employment at the Naval Experimental Station. Mr. Emil Fossan resigned to become a translator for the War Department in Washington. Both Mr. Trader and Mr. Fossan are now in the United States Army. Miss Joan Knight resigned to become a member of the Hospital Staff at Camp Meade and Miss Katherine Held left the Hall of Records to become an assistant in the office of the Registrar of Goucher College. Mr. Trader was succeeded by Mr. Arthur Miller who also resigned to resume his work as an independent photographer. New members of the staff are Mrs. Margaret White, who is in charge of photoduplication; Mrs. Sallie Stainback, Secretary; Mrs. Imogene Hollywood, General Assistant; and Mr. Roger Thomas, Librarian. Since last January the Hall of Records has employed Miss Mary Janney and Mrs. Grace Lawton as day and night operators of the microfilm camera, and Mr. George Garner as night operator of the photostat. These three employees are paid out of emergency funds altogether.

The NYA which supplied the Hall of Records with as many as thirty-five workers at one time has now disappeared and with it this valuable help. From a top figure of eight our WPA clerical projects has been reduced to one whose work is confined to preparations for the evacuation of archival materials and the business of the Committee for the Conservation of Cultural Resources.
