The members of the Commission will notice that there have been several changes in the staff during the year. Miss Elizabeth W. Meade, who had been Assistant Archivist since the Hall of Records opened in October 1935, resigned December 31, 1942 to accept a position at the National Archives in Washington. Mrs. Sallie W. Stainback resigned to join her husband who had been ordered to the U. S. Naval Station, Jacksonville, Florida. Mrs. Imogene Hollywood resigned when her husband was inducted into the Army. Miss Meade was succeeded by Mr. Thomas who had joined the Hall of Records' staff during the preceding year. Mr. Thomas' place was taken by Mrs. Elisabeth Hartsook. Mrs. Stainback was replaced by Mrs. Louise M. Hall. Miss Shirley M. Johnson succeeded Mrs. Hollywood. Mrs. Agnes Howard succeeded Miss Johnson when the latter resigned to be married.

Of the original professional staff no one now remains; there are, however, three members who have served for as much as five years. There is good reason to believe that the rapid changes of the last two years will not be repeated in the future. The demands of wartime Federal Agencies in Washington have decreased, and unless the selective service requirements are modified, no one else on the staff is eligible for immediate induction into the armed forces.
