

the period of probation in the future it designated an Executive Committee to act for the Commission on personnel matters, this Committee to consist of the Chairman and the Vice-Chairman.

What kinds of records should fall within the field of publications of the Hall of Records was made a matter of conference with the Maryland Archives Commission, the Hall of Records Commission to be represented at this conference by the Chairman. In the meanwhile the manuscript of Liber A Prince George's County Court Proceedings, which has been prepared for the printer, will be held and the appropriation for its publication will be reserved.

Judge Marbury was asked to represent the Commission before the Legislative Council in order to present for its consideration a bill embodying the following resolution of the Commission:

"It is the sense of the Commission that all the records now in the courthouses of the State, which were made prior to the adoption of the Federal Constitution by the State of Maryland, be transferred to the Hall of Records and that the Legislative Council be consulted in the matter of framing such legislation as might be necessary to bring about this transfer."

The meeting adjourned at 5 P.M. subject to call by the Chairman in October, 1944.
