Indexes to Original Records at the Hall of Records. This is Bulletin No. 7 of the Hall of Records series and replaces Bulletin No. 6. It was prepared as a guide to our indexes for the use of researchers. The number of card indexes prepared during the last few years and interfiled in our general indexes made the preparation of such a guide absolutely necessary. A limited number of mimeographed copies are available for free distribution to archival and historical agencies. Mimeographed copies of Bulletins Nos. 1 to 6 are no longer available.

Card indexes for the following materials were added during the year:

Anne Arundel County	<i>Accounts, 1777-1821</i> (completes the record series).
Baltimore County	<i>Original Wills, 1664-1788</i> (completes the record series).
Baltimore County	<i>Accounts of Sales, 1780-1788</i> (completes the record series).
Charles County	<i>Accounts, 1708-1806</i> (completes the record series).
