

together with tweezers. We were able this year, with the assistance of Mr. William J. Barrow, to clean and laminate a printed pamphlet which had been immersed in lubricating oil.

Credit for the continuing excellence of our repair work must go in large measure to Mrs. Jane Revell Moss who this year will have completed ten years of exacting but fruitful work in this department.

Materials which were repaired and laminated during the year are as follows:

Accounts:	
No. 46, 1761.....	469 pages
Admiralty Court Papers: 1748-1812.....	554 pages
