## Fiscal Year 1948

Because of the confused budgetary picture for the fiscal year 1947, due to the general increases in salaries of September 1946, the special increases and the reclassifications of June 1947, and the carrying of funds frozen for the use of the Superintendent of Public Buildings and Grounds during 1946 and 1947, it has been thought advisable to give you the budget of the fiscal year beginning July 1, 1947.
