#### LIBRARY

There were no considerable gifts during the past fiscal year; therefore the size of our library increased less than usual. Most of our accessions came with the records of various State agencies, the printed materials being added to our library rather than to our holdings of records. We are pleased to have added to our collections of printed Journals and Documents of the General Assembly. The following list includes all items accessioned during the year:

*The American Archivist*, Vols. II, VII-IX, Menasha, Wisconsin, 1939, 1944-1946. Subscription.

*American Association for State and Local History Bulletin*, Vol. I, No. 12, Washington, D. C., 1947. Gift.
