*Thirteenth Annual Report of the Archivist of the Hall of Records for the Fiscal Year July 1, 1947, Through June 30, 1948.* All the Annual Reports are useful in that they list new accessions as well as new finding aids.

*Maryland Manual 1948-49, Second Printing Revised.* Because the number of *Manuals* printed last year proved to be far less than the demand, the Governor asked us to prepare a second printing. No thorough editing was done, but all errors which had been found since the first appearance of the books were corrected, and the large number of changes in personnel, addresses, telephone numbers, etc., which had occurred in the course of the six months since the submission of final copy were noted.
