

before; the number of pages in the county land record series was less than last year, but this was due to the fact that most of the volumes were of large format of the late eighteenth century so that each page had to be done separately, whereas during the previous year there were many seveneenth century books so small that if they were taken apart two pages could be taken in one exposure.

A detailed analysis of the year's work follows:

Dorchester County Land Records	
Liber No. 1 J.C.H. 1777-1780.....	477 pages
Liber Nos. 2-3-4 NH 1782-1784.....	582 pages
