

out here that whereas last year the sale of projection prints made from this film amounted to only \$19 the total this year was \$126. Photostat orders were approximately the same as last year and photostats of county records for the use of the counties was somewhat less, the time of the operator being taken in part for microfilming the will records of Anne Arundel County, an analysis of which is given at the end of this section.

An account of the work of the photocopyist is given here below:
