

administrative problems which arise between a small agency of government and the office of the Comptroller. Mr. Lacy was succeeded by the Honorable Millard J. Tawes, who had previously been a member of the Commission for eight years. The Archivist is especially grateful to Mr. Tawes for his help in initiating our county land record program in which he is a firm believer. The Archivist regrets to note the death in the same year of Dr. Isaiah Bowman, President Emeritus of the Johns Hopkins University and a member of the Commission from 1935 to the time of his retirement December 31, 1948.

No meeting of the Commission was held during the course of the year.
