It is gratifying to report that for another year changes in personnel were at a minimum. Miss Frances W. Hoot, who was employed as stenographer-Secretary July 1, 1949, resigned July 15, 1951, in anticipation of her marriage which occurred some months later. Her place was taken by Mrs. Dorothy B. Cullinane who became a permanent member of the staff September 16, 1951. Mrs. Martha Scisco, who had been a member of the maintenance staff since the summer of 1935, died November 6, 1951. Mrs. Scisco was the last employee who was present when the Hall of Records opened in October 1935. She was replaced by Cora Olney.
