

John Shaw, the famous cabinet maker, was presented to Historic Annapolis, Inc. This *Bible* has been placed in the custody of the Hall of Records until Historic Annapolis finds a place suitable for use as a museum. Meanwhile, we have been permitted to make photostatic copies of the vital records entered in the *Bible*. We also made photocopies of the vital records in the Bullitt Family *Bible* which was loaned to the Hall of Records for that purpose by Mrs. Robert G. Henry
