

Anne C. Grigg began the year as Stenographer, Accounting, but resigned October 24, 1961. She was succeeded by Mrs. Kilborn, as has already been noted, and Mrs. Kilborn was followed by Genevieve G. Rehn. By all odds, this is the most difficult position to fill at the Hall of Records. The combination of skills demanded is so uncommon in this area that we are rarely in a position to compete for it.

An additional photographer was added to our staff by order of the Board of Public Works on December 6, 1961. The purpose was to hasten our program for microfilming county records. This new position was held for some weeks by James O. Shumate, Jr. He was followed by Ronald C. Saddler, who was appointed on May 23, 1962.

Jackson S. Saunders resigned as Public Records Examiner November 21, 1961. He had been offered similar work at a higher salary in the State service and felt obliged to accept this favorable offer. Mr. Saunders had been with us since December 1956. No replacement was found during the fiscal year.

Alvin Meyer, Senior Clerk, resigned from the staff of the Baltimore Record Center, August 15, 1961; he was replaced by Donald L. Bullock September 27th following.

The Record Center in Annapolis also lost one employee: Martha L. Hardesty, Senior Clerk, resigned October 10, 1961, and she was replaced the next day by Mercedita Ramirez.
