
STAFF NOTES

Program 1.

Helen H. Kilborn, who first came to the Hall of Records on October 11, 1961, as Stenographer, Accounting and who later (April 18, 1962) became Stenographer-Secretary, resigned May 8, 1964. She was succeeded June 8, 1964, by Marjorie K. Teel, who finished out the fiscal year.

Program 2.

For the second consecutive year, there were no changes in the Research and Reference Division, for which we are thankful—it is here that experience with the records counts most heavily.

Program 3.

Connis O. Brown, Jr., was appointed Public Records Examiner in the Records Management Division on August 14, 1963. This position had been vacant for over a year prior to Mr. Brown's appointment.

We regretted the loss of Donald L. Bullock, who was called into military service on October 4, 1963. He was not permanently replaced until the next May 6, when Ralph V. Crouse was employed.

Frances K. Webster resigned her position as Clerk I in the Annapolis Records Center, on October 9, 1963, and she was replaced by Robert H. Shiflet on the seventeenth of the same month.

Miscellaneous

As Mrs. Carr expected to leave the State service in September, we found the funds to provide her with a typist during the summer months. This was essential because Mrs. Carr had been working on the revised edition of the Maryland Guide and much of her work was in corrected first draft. Molly M. Jones, a student at St. John's College, was employed as a temporary Clerk-Typist II, on June 3, 1964.
